

Professional Oversight, Knowledgeable Insight

We provide comprehensive international tax services designed to serve the unique needs of every client from individuals and families to international businesses.

In conjunction with our technical expertise, our team is also fluent in multiple languages including (but not limited to) Chinese (Mandarin), Hindi, Gujarati, Marathi, Polish, Portuguese, Romanian, Russian, and Spanish.

// We are fully satisfied with Wiss's services and expertise. Since our business is established in several jurisdictions and operates in different markets, it is important to ensure that our company is fully in line with the legislation and compliance of those jurisdictions. We are very grateful to Wiss for their professional, client-oriented, and valuable support.
