

## Outsourced Services

**Accounting is more complex than ever. Good accountants are hard to find, are expensive, and are difficult to keep in house. And with increased rules and regulations on compliance and findings, it's hard for one person to keep up!**

That's why our team of accountants is here to help. Our experts are progressive thinkers who begin every relationship with a deep dive into understanding your specific needs, learn your company's operations, and tailor innovative solutions specific to you.

### HOW WE CAN HELP

**Outsource all of your Accounting and Human Resources, or choose just the services you need:**

- **Accounts payable and cash disbursements**

- **Tax Filings**

- **Accounts receivable and cash receipts**

- **Recruiting**

- **Accounting and transaction support, including bank and account reconciliations**

- **Payroll tax compliance and support**

- **Financial Statement preparation**

// I needed an accounting firm that could move as quickly as my company. My experience with firms prior to Wiss was draining my time and energy and was detrimental to growing my business. Making the decision to work with Wiss has been a game-changer for Montauk Brewing Company. Having Wiss as a partner allows me to focus on day to day tasks and the future of my company, rather than worrying about accounting issues.
